Dear Arthur

Application reference: 07/01705/FUL

Erection of a 60m high anemometer mast with guy ropes extending to 42m for a temporary period of 24 months at Land South East of Hampole Grange Wakefield Road Hampole Doncaster.

Thank you for consulting the Assembly on the above. On this occasion the Assembly will not be forwarding any comments, as the issues that arise with this application are not strategic in nature. However if this current proposal were to lead to a wind farm application, we would wish to comment.

If you have any queries on the types of applications the Assembly wishes to comment on, please do not hesitate to contact me.

Yours sincerely
