Dear Darren

**Application reference: DC/08/03292/STPLFE/STRAT/DHE**

**Infrastructure works inc. construction of drainage ditches and pumping stations associated with Phase 2 Spine Road and overall development at Land North and East of Guardian Glass Capitol Park, Rawcliffe Road, Goole, East Riding of Yorkshire**

Thank you for consulting the Assembly on the above. While the Assembly submitted comments on the overall development at Capitol Park in line with its criteria for identifying strategic planning applications, this current proposal does not meet the criteria and in this instance the Assembly does not wish to comment.

I attach a copy of our criteria for your use in the future.

Yours sincerely,

*Marti - Elliot*
