Dear Louise

**Application reference: P/07/04334/FU/MIN**

**Erection of 60m wind monitoring mast for a temporary period of 3 years.**

Thank you for consulting the Assembly on the above. On this occasion the Assembly will not be forwarding any comments, as the issues that arise with this application are not strategic in nature. However if this current proposal were to lead to a wind farm application, we would wish to comment.

If you have any queries on the types of applications the Assembly wishes to comment on, please do not hesitate to contact me.

Yours sincerely
